

3rd Annual Golf for the Girls

Saturday, June 16, 2007 at Pine Meadow Golf Club

Mark and Kate Steward are hosting a golf benefit in memory of their infant twin daughters, Grace and McKenna.

The previous two events raised over \$25,000, and we're hoping this year's event will be even bigger and better.

This year's proceeds will go toward constructing the Steward Family Lounge on the NICU/Birth Center floor at Saint Joseph's Children's Hospital in Marshfield.

The event will be held at Pine Meadow Golf Club in Eau Claire. In addition to golf, there will be food, entertainment, silent auction and a raffle. The golf event will be a scramble, with shotgun starts at 10:00 and 1:00. The price for a golfer, which includes a buffet lunch, is \$40, and the price for lunch only is \$20. The public is more than welcome to stop by the event for the entertainment, silent auction, raffle and to enjoy the day.

We are looking for businesses to donate money, prizes for raffles/golf tournament, and/or sponsorships. Sponsorships of \$100 include acknowledgement at a tee box on the golf course. Sponsorships of \$250 include acknowledgement on website and along entrance to golf course. Sponsorships of \$500 include name recognition on all publicity for the event.

We look forward to establishing long-term relationships with businesses to assist in making this event a success. If you are interested in supporting this benefit, please contact the Stewards or Cara at Pine Meadow.
